## If username already exist:

## Login:

A screenshot of a web browser window. The address bar shows the URL `127.0.0.1:8000/Login/`. The page contains a login form with two input fields: "Username:" with the value "Lijo" and "Password:" with masked characters "....". Below the password field is a "Login" button. The browser's tab bar shows two tabs: "127.0.0.1:8000/Login/" and "Change owner\_reg\_tb | Django".

## If it is not an approved owner:

A screenshot of a web browser window. The address bar shows the URL `127.0.0.1:8000/login_action/`. The page contains a login form with "Username:" and "Password:" fields and a "Login" button. A modal dialog box is displayed in the bottom right corner with the text "Verification pending!!!" and an "OK" button. The browser's tab bar shows two tabs: "127.0.0.1:8000/login\_act" and "Change owner\_reg\_tb | Django".
